

## GENERAL TERMS AND CONDITIONS OF SALE

### **1. BASIS OF CONTRACT**

- 1.1 These General Terms of Sale (“Conditions”) define the rights and obligations of us (being Gardner AIRIA Holdings SAS or any of its subsidiaries from time to time as set out in the Order Acknowledgement – hereinafter defined as “Gardner Aerospace”) as vendor and of our customers as buyers and apply to all contracts or orders (hereinafter indifferently and with the same meaning “Contract” or “Order”) between us and any buyer, for the sale of our goods (“Goods”) and/or services (the “Services”), subject to particular amendments to the Conditions specifically negotiated and agreed upon in writing by us within the framework of a specific Order or Contract. Unless so amended, the Conditions will govern the relationship between you and us as to all matters within the scope of an Order or Contract. Thus, inconsistent provisions contained in a buyer’s document purporting to define general or particular terms of purchase or sale shall not be construed to amend, modify, supplement or supplant the Conditions, as any such inconsistent provision or term shall be deemed inapplicable to any Order and/or Contract by a buyer for any of our Goods and/or Services.
- 1.2 Your order constitutes an offer by you to purchase **Goods** and/or **Services** in accordance with these **Conditions** and any terms set out in our quotation form or Order Acknowledgement.
- 1.3 Your order shall only be deemed to be accepted when we issue an Order Acknowledgement at which point and on which date a formal Order exists as a contract between you and us in accordance with these Conditions (**Contract**). For the avoidance of doubt we shall not be required to accept Orders which you place and any acceptance shall be at our sole discretion.
- 1.4 The Contract constitutes the entire agreement between us. You acknowledge that you have not relied on any statement, promise or representation made or given by or on behalf of us which is not set out in the Contract.
- 1.5 Any samples, drawings, descriptive matter or advertising issued by us and any descriptions of the Goods or illustrations or descriptions of the Services contained in any documents forwarded to you are issued or published for the sole purpose of giving an approximate idea of the Services and/or Goods described in them. They shall not form part of the Contract or have any contractual force except where expressly provided in these Conditions or expressly incorporated in our Order Acknowledgement.

- 1.6 These Conditions apply to the Contract to the exclusion of any other terms that you seek to impose or incorporate (including any terms previously issued by you), or which are implied by trade, custom, practice or course of dealing.
- 1.7 Any quotation given by us shall be subject to the Conditions but shall not constitute a legally binding offer capable of acceptance by you. Any quotation is only valid for a period of 30 days from its date of issue.
- 1.8 All of these Conditions shall apply to the supply of both Goods and Services except where application to one or the other is specified.

## 2. SUPPLY OF GOODS

- 2.1 We shall supply you with the Goods of the type and in the quantities described in the Order or where applicable as more particularly set out in a specification document attached or referred to in the Order (**Goods Specification**). The Goods Specification may include detailed drawings, sketch drawings and/or first article parts.
- 2.2 Subject to payment by you of the price in full, we warrant that on delivery, and for a period of 12 months from the date of delivery to you in accordance with these conditions (**Warranty Period**), the Goods shall:
  - (a) conform in all material respects with any relevant Goods Specification; and
  - (b) conform in all material respects with any samples or red banded masters supplied by you agreed between you and us in writing.
- 2.3 Unless otherwise stated in the Order we shall not be obliged to provide any post delivery support in relation to the Goods, nor shall we be responsible for any form of airworthiness certification. Any certificate of conformity provided by us in relation to the Goods shall not operate so as to extend the scope of the warranties set out in these Conditions.
- 2.4 Subject to the warranties provided in clause 2.2, all other warranties, express or implied are to the fullest extent permitted by law excluded from the Contract.
- 2.5 Subject to clause 2.7, if:
  - (a) you give notice in writing during the Warranty Period within 7 days of discovery that some or all of the Goods do not comply with the warranty set out in clause 2.2; and
  - (b) we are given a reasonable opportunity of examining such Goods; and
  - (c) you (if asked to do so by us) return such Goods to our place of business at your cost,

we shall, at our option, repair or replace the defective Goods, or refund the price of the defective Goods in full.

- 2.6 Except as provided in clause 2.5 above, we shall have no liability to you in respect of the Goods' failure to comply with the warranty set out in clause 2.2.
- 2.7 We shall not be liable for the Goods' failure to comply with the warranty in clause 2.2 if:
- (a) you make any further use of such Goods after giving a notice in accordance with clause 2.5;
  - (b) the defect arises because you failed to follow our oral or written instructions as to the storage, installation, commissioning, use or maintenance of the Goods or in the absence of such instruction you fail to store, install, commission, use or maintain the Goods in accordance with best industry practice;
  - (c) the defect arises as a result of us following any drawing, design process or Goods Specification supplied or agreed by you;
  - (d) you alter or repair such Goods without our written consent;
  - (e) the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal working conditions.
- 2.8 These Conditions shall apply to any repaired or replacement Goods supplied by us under clause 2.5.

### **3. INDEMNITY**

- 3.1 To the extent that the Goods or any part of the Goods are to be manufactured in accordance with:
- (a) any information, specifications or requirements provided to us by you (including, where provided by you, the Goods Specification); or
  - (b) samples or red banded masters agreed between you and us in writing,

you shall indemnify us against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other professional costs and expenses) suffered or incurred by us in connection with any claim made against us arising out of or in connection with the use of the Goods, including but not limited to actual or alleged infringement of a third party's intellectual property rights. This clause 3.1 shall survive termination of the Contract.

#### 4. DELIVERY OF GOODS

- 4.1 Unless otherwise set out in the Order, delivery shall take place EXWORKS INCOTERMS 2010 at the premises of the given Gardner Aerospace company set out in the Order (**Delivery Location**) and at any time we notify you that the Goods are ready.
- 4.2 Delivery of the Goods shall be completed on the Goods' arrival at the Delivery Location or their being made available to you at the Delivery Location where delivery takes place EXWORKS INCOTERMS 2010.
- 4.3 Any dates quoted for delivery of the Goods are approximate only, and the time of delivery is not of the essence. We shall not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event or your failure to provide us with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.
- 4.4 If we fail to deliver the Goods and such failure is not caused by you or an event of Force Majeure as described at clause 15.1 below then we shall have no liability to you unless we are in excess of 30 days late. The maximum of any losses which you may claim for delayed delivery of Goods shall never exceed five percent (5%) of the given delayed Goods price, before taxes. Moreover, this shall always be deemed your sole and exclusive remedy in respect of said delay and to exclude any other compensation of whatsoever kind and on whatsoever legal ground.

In no circumstance shall a delay of delivery be deemed to justify the termination or cancellation of an Order or a Contract.

- 4.5 If you fail to accept or take delivery of the Goods within 7 days of us notifying you that the Goods are ready, then except where such failure or delay is caused by our failure to comply with our obligations under the Contract in respect of the Goods:-
- (a) delivery of the Goods shall be deemed to have been completed at 9.00 am 2 days following the day on which we notified you that the Goods were ready; and
  - (b) we shall store the Goods until you are able to take physical possession of the Goods, and charge you for all related costs and expenses (including insurance).
- 4.6 If 7 days after we notified you that the Goods were ready for delivery you have not accepted or taken delivery of them, we may resell or otherwise dispose of part or all of the Goods and may charge you for any shortfall below the price of the Goods in addition to any other losses we suffer.
- 4.7 You shall not be entitled to reject the Goods if we deliver up to and including 5percent more or less than the quantity of Goods ordered, but a pro-rata

adjustment shall be made to the Order invoice on receipt of notice from you that the wrong quantity of Goods was delivered. Any notification or shortfall beyond the scope of the parameters referred to above must be notified to us within 7 days of delivery.

- 4.8 We may deliver the Goods by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate contract. Any delay in delivery or defect in an instalment shall not entitle you to cancel any other instalment.

## **5. TITLE AND RISK**

- 5.1 The risk in the Goods shall pass to you on completion of delivery.
- 5.2 The transfer of title to delivered Goods shall occur only after we receive full payment of the price and auxiliary charges, in accordance with French Commercial Law L624-16.

This reservation of title does not prevent transfer to you, upon the Goods' delivery, of all risks of loss and deterioration, as well as of damage they might occasion.

If you fail to make a payment when due, we may reclaim Goods, or all products of the same kind and quality held by you. In case we repossess said Goods, you will be issued with a credit note with their price after deducting, on one hand, the costs of repossession and, on the other, their possible loss of value between the Contract and repossession dates.

Before acquiring title to the Goods, you may neither grant any lien therein to a third party, nor transform or resell them, without our prior written consent.

The transfer of risks being effective as of delivery, you shall assist us in any action we may be required to take in order to protect its rights of ownership. You commit yourself to insuring the Goods as of their delivery, with us as beneficiary, against all risks that they might encounter or cause. You commit yourself, under all circumstances, to maintaining delivered Goods in such a manner as to avoid any confusion about their ownership by us.

(a) .

- 5.3 Until title to the Goods has passed to you, you shall:
- (a) hold the Goods in custody;
  - (b) store the Goods separately from all other goods held so that they remain readily identifiable as our property;
  - (c) not remove, deface or obscure any identifying mark or packaging on or relating to the Goods;

- (d) maintain the Goods in satisfactory condition and keep them insured against all risks for their full price on our behalf from the date of delivery;
- (e) notify us immediately if you become subject to any events of insolvency, receivership or the like; and
- (f) give us such information relating to the Goods as we may require from time to time.

## **6. REWORK & REFURBISHMENT SERVICES & MODIFICATIONS AND REWORKED PARTS**

- 6.1 We shall provide the Services to you in all material respects in accordance with the Order and/or where relevant as more particularly set out in a specification document attached or referred to in the Order (**Services Specification**). The Services Specification may include detailed drawings, sketch drawings, process descriptions and any other relevant information relating to the Services.
- 6.2 The Services which we provide to you may relate to the reworking or refurbishment of third party parts or components and we accept no liability whatsoever for any third party parts or components. Our liability shall extend solely to the provision of the Services.
- 6.3 Where we return third party parts or components to you following completion of the Services then for the purposes of the Contract (subject always to clause 6.2) they shall be considered Goods for the purposes of the following clauses of these Conditions: - 4.1, 4.2, 4.3, 4.5, 4.78, 13.3, 14(e).
- 6.4 We shall use our reasonable endeavours to meet any performance dates and/or delivery dates for the Services specified in the Order or the Service Specification, but any such dates shall be estimates only and time shall not be of the essence for the performance of the Services.
- 6.5 We shall have the right to make any changes to the Services which are necessary to comply with any applicable law or safety requirement, or which do not materially affect the nature or quality of the Services, and we shall notify you in any such event.
- 6.6 We warrant to you that the Services will be provided using reasonable care and skill but shall have no liability whatsoever in relation to any breach of warranty in respect of the Services where such breach arises as a result of your actions in whole or in part including but not limited to any defect in the Services Specification or any Customer Default.

## 7. YOUR OBLIGATIONS

### 7.1 You shall:

- (a) ensure that the terms of the Order (including where relevant the terms of any Goods Specification or Services Specification) are complete and accurate;
- (b) co-operate with us in all matters relating to the Goods and Services;
- (c) provide us, our employees, agents, consultants and subcontractors, with such access to your premises as may be required by us to assist with the provision of the Services and the supply of Goods;

- (e) obtain and maintain all necessary licences, permissions and consents which may be required for the Services before the date on which the Services are to start and/or for the Goods before the date that the Goods are to be delivered including but not limited to any export licences and/or military or governmental licences necessary for the import of the Goods (including any component parts) from any country of origin and export of the Goods (including any component parts) to any country of destination or intended destination; and
- (f) keep and maintain all materials, equipment, documents and other property belonging to us (including where relevant first articles) (**GAeMaterials**) at your premises in safe custody at your own risk, maintain the GAeMaterials in good condition until returned to us, and not dispose of or use the GAeMaterials other than in accordance with our written instructions or authorisation. All GAeMaterials shall remain our exclusive property.

### 7.2 If our performance of any of our obligations in respect of the Services is prevented or delayed by any act or omission by you or failure by you to perform any relevant obligation (**Customer Default**):

- (a) we shall without limiting our other rights or remedies have the right to suspend performance of the Services until you remedy the Customer Default, and to rely on the Customer Default to relieve us from the performance of any of our obligations to the extent the Customer Default prevents or delays our performance of any of our obligations;
- (b) we shall not be liable for any costs or losses sustained or incurred by you arising directly or indirectly from our failure or delay to perform any of our obligations as set out in this clause 7.2; and

- (c) you shall reimburse us on written demand for any costs or losses sustained or incurred by us arising directly or indirectly from the Customer Default.

## **8. CHARGES AND PAYMENT**

Except as set out in the Specification or Order, the price of the Goods is exclusive of all costs and charges of packaging, insurance, transport of the Goods, which shall be paid by you when you pay for the Goods to the extent that we agree to arrange transport of the goods on your behalf.

8.2 We reserve the right to increase the price of the Goods or Services, by giving notice to you at any time before delivery, to reflect any increase in the cost of the Goods or Services to us that is due to:

- (i) any factor beyond our control (including foreign exchange fluctuations, increases in taxes and duties, and increases in labour, materials and other manufacturing costs);
- (ii) any request by you to change the delivery date(s), quantities or types of Goods or Services ordered, or the Goods Specification or the Services Specifications; or

8.4 Where our charges include any element of non recurring costs, we shall be entitled to invoice you at any time following the date of the Order in respect of the same. Where the non recurring costs relate to costs of tooling such tooling shall remain our exclusive property until such time as all non recurring costs are paid in full. Until such time as payment is received in full any tools or tooling shall remain GAe Materials.

- 8.7 Without limiting any other of our rights or remedies, in the event of late payment of all or part of an invoice, interest shall be legally payable on the sums due at a rate equal to three times the statutory rate of interest applicable on the issue date of the invoice, applicable to the exact number of calendar days elapsed between the due date for payment and the date when the invoice was actually settled, without necessity of a reminder. In addition to this sum, you will reimburse us of the corresponding collection expenses, with a minimum fixed compensation of 40€ (or its equivalent in the invoiced currency) per unpaid invoice.

Non-payment of a fraction of the price when due, or non-observance of any payment's due date, shall trigger our right to demand immediate payment of all sums then still due, (bills of exchange included), and to retain instalments held by us as well as tools and other items in the our custody, until full payment of all sums due

- 8.8 You shall pay all amounts due under the Contract in full without any deduction or withholding except as required by law and you shall not be entitled to assert any credit, set-off or counterclaim against us in order to justify withholding payment of any such amount in whole or in part. We may, without limiting our other rights or remedies, set off any amount owing to us by you against any amount payable by us to you.
- 8.9 We shall be entitled to allocate all payments received from you to the oldest debt owed by you.
- 8.10 Notwithstanding resort to the sanction provided for in 8.7 above, non-payment of an invoice when due, whether partial or in full and for whatever reason, entitles us to cease delivering Goods and/or to stop all work or Services, without notice or other formality. Such a decision entails the right for us to retroactively cancel existing contracts, without affecting our right to compensation, or possible damages together with interest.
